INDORSED NOTES

If you cannot give furniture or piano as security we accept indorsed notes as security for loans of from \$5 to \$50. Of course the rate is a trifle higher as the security is not quite so good, but the rate is a reasonable one and the payments are easy. One indorser is required on these loans and you have from one to six months to repay the loan. If you are a day or two late on your payment no protest fee is charged, nor do we require any bank interest or additional interest over the face of the note. You know exactly how much you have to pay before you get the money.
